

(updated 1/4/2012)

The following companies/individuals have requested that their resumes be included in the SHPO file for cultural resource and archaeological consultants. This list does not represent an endorsement, recommendation or assumption of responsibility for the quality of work of any consultant. There is no guarantee implied that any work produced by those on this list will meet federal or state requirements. RPA archaeologists are nationally certified and adhere to professional standards. While the SHPO cannot force individuals or organizations to join RPA, we encourage registration as well as voluntary compliance with the standards maintained by RPA. We recommend that you contact at least three consultants and check references with previous clients. The SHPO archaeologists are members of RPA.

Archaeology, (survey & inventory, monitoring, mitigation), Sec. 106 compliance, NEPA, cultural resource management; National Register documentation & nominations.

(updated 1/4/2012)

The following companies/individuals have requested that their resumes be included in the SHPO file for cultural resource and archaeological consultants. This list does not represent an endorsement, recommendation or assumption of responsibility for the quality of work of any consultant. There is no guarantee implied that any work produced by those on this list will meet federal or state requirements. RPA archaeologists are nationally certified and adhere to professional standards. While the SHPO cannot force individuals or organizations to join RPA, we encourage registration as well as voluntary compliance with the standards maintained by RPA. We recommend that you contact at least three consultants and check references with previous clients. The SHPO archaeologists are members of RPA.
