

2010 Historic Cemetery Grants

Heritage Programs, Oregon Parks and Recreation Department

Grantee	Project Description	Grant Amount	Match Amount	Project Total
Baker County				
Baker City	The interior walls of the Mount Hope Cemetery mausoleum are adorned with Danby marble. The project will repair the fastening system for the marble panels and replace markers too damaged to be safely remounted in two sections of the mausoleum.	\$2,000	\$2,860	\$4,860
Sumpter	Remove one tree and trim approximately 22 trees in the Sumpter Historic Cemetery.	\$1,100	\$1,515	\$2,615
Douglas County				
Douglas County Museum of Cult & Nat Hist	Collaborate with 7 local entities to repair and reset headstones in two adjoining cemeteries in downtown Roseburg.	\$2,075	\$11,925	\$14,000
Grant County				
Training and Employment Consortium of Grant County	Two Cemeteries on the 4J Ranch near Seneca Oregon are in bad need of repair, the first is the Luce grave sight with two young boys buried in the spot, the fence that was around it was an old split rail fence put in around the turn of the Century, cattle had completely destroyed the fence. When cattle are in this pasture and the graves being in the timber the cattle lay on the graves. The second is the Helmic Cemetery, this one has an old barb wire fence around it that has been torn apart because of time and cattle, no damage to the head stones has accrued at this time, if not fixed the cattle will start to impact this sight also.	\$2,670	\$1,663	\$4,333
Hood River County				
Hood River County History Museum	Hold 2010 Cemetery Trails living history program at Ildewild Cemetery.	\$500	\$4,000	\$4,500

Grantee	Project Description	Grant Amount	Match Amount	Project Total
